

ACCOMPLISHING GREAT THINGS TOGETHER

So many accomplishments to celebrate!

Dear Colleagues,

What an action-packed six-week half term it has been! Across Accomplish MAT, we truly have **achieved so much**, and I could not be prouder of the commitment, energy and professionalism shown by our teams right across the trust.

One real highlight was our **fantastic INSET day: *Doing the Basics Brilliantly***. Teachers and leaders from across the trust led sessions that were inspiring, insightful and delivered with real confidence and expertise. It was a powerful reminder of the strength within our own organisation and clear evidence that Accomplish MAT continues to move forward at pace, living and breathing our core values. **Empowerment was on display throughout the day.**

As we look ahead to next half term, we are excited to embed our new routines further and see the growing impact they are having for all our children. Early indications are incredibly encouraging. Recent data shows that, overall, we are **on track for strong outcomes** across GLD, the Phonics Screening Check, the Multiplication Tables Check and KS2 statutory assessments. This is a clear reflection of our collective focus on consistency, precision and above all- **doing the basics brilliantly**.

Of course, our commitment to excellence in the basics exists for a greater purpose. It ensures that every child can fully access a **broad, rich and exciting wider curriculum**, alongside a wealth of opportunities in sport, music and the arts. This is something we should all be immensely proud of as a trust.

We are also looking ahead with great excitement to a **wonderful musical celebration at Wakefield Cathedral**, alongside a **brilliant upcoming sports event at a Sheffield stadium** - fantastic opportunities that showcase the talent, teamwork and spirit of our children across the trust.

It has also been wonderful to see the continued growth in what we often refer to as our **“artefacts of care.”** The quality of our environments, the work displayed, and the attention to detail in every school all send a powerful message to our children: you matter, and this is a place of excellence. These are places where we strive for the very best because we know this is a passport to future choice and that is exactly what we want for every child in our care.

As the half term break arrives, I wish you all the chance to truly rest and recharge. Enjoy precious time with family, friends and pets, and take a moment to replenish your energy. Thank you for everything you do to make our schools exceptional places - **places where magic happens every single day.**

With my very best wishes,
Tracy Swinburne OBE
 CEO, Accomplish MAT

Employee of the Month

Janine Rex
1:1 Learning Support Assistant

Jerry Clay Academy

Janine has been recognised not only by myself, but by many professionals across the trust, as a truly outstanding colleague.

She is an inspiration through her **relentless commitment to ensuring that every child- regardless of barriers achieves their very best.**

Janine sees potential where others may see challenge. She believes wholeheartedly in every child, and as a result, the children in her care thrive, making remarkable academic, social and emotional progress. Listening to Janine speak with such determination, compassion and drive is genuinely uplifting.

She does not focus on limitations; instead, she sees multiple opportunities to ensure children receive the education they deserve. Janine firmly believes that every child has just one chance at education- and that it should be the very best. Her care, enthusiasm and ability to empower those around her are nothing short of magical.

Thank you, Janine, for celebrating the uniqueness of every child and for embodying our trust values so powerfully each day.

Congratulations and very well deserved.
