

ACCOMPLISHING GREAT THINGS TOGETHER

Such a Quick but Action-Packed Spring Term

The Spring term has certainly been a hive of activity across Accomplish MAT, filled with standout moments and meaningful progress.

One of the highlights was our INSET day focused on *Doing the Basics Brilliantly*. This brought together a shared ethos and clear principles to drive high-quality teaching and effective routines across our schools. While we celebrate the uniqueness of each academy, we are united in our commitment to consistent, high standards. This day has already acted as a catalyst for ongoing improvements, with our teaching champions continuing to lead on *Read, Write, Talk* and embedding these core principles in everyday practice.

Next term, our teaching champions will begin visiting each other's schools to evaluate implementation, ensuring that we are consistently delivering the very best for all our children.

Academically, we have seen wonderful ambition and encouraging achievement across our schools. Importantly, we recognise that achievement goes far beyond statutory assessments. It is reflected in children's enjoyment of school, access to sport, the arts, extracurricular opportunities, and a rich, broad curriculum. At Accomplish MAT, we are proud to champion the development of the whole child—building confidence, creativity, and future success. In all of this, we must never lose sight of the magic of a high-quality primary education.

TEP Surveys – Your Voice Matters

Thank you for your commitment to our **TEP (The Engagement Platform)** surveys, launched this term for both staff and pupils.

This standardised system allows us to track progress over time and, most importantly, ensures that your voices are heard. Leaders across the trust will now use this feedback to share outcomes, outline actions, and respond to comments—ensuring transparency and demonstrating how valuable your input is.

Your Headteachers will share academy-specific feedback after Easter. We are incredibly proud to report that we achieved the highest engagement nationally, out of 21,000 participants in many schools across the country—an outstanding accomplishment.

These surveys will continue once a term, enabling us to benchmark progress and drive meaningful improvements. After all, the true value of feedback lies in how we act upon it.

Living Our Values

This term, we have seen countless examples of our shared values in action—particularly **Care**, celebrating uniqueness, and empowering both children and adults to be the best they can be.

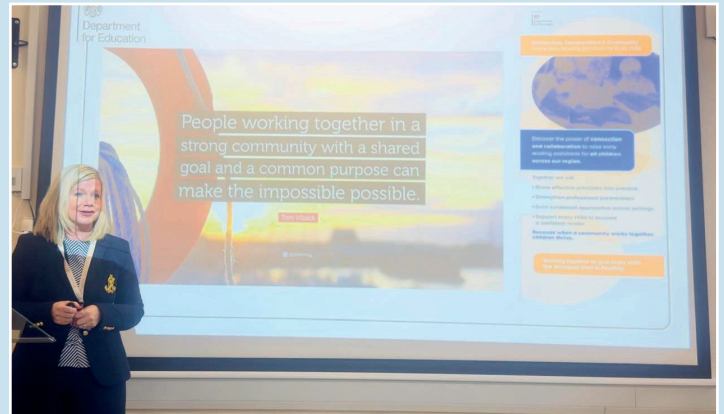

These values unite us, define our purpose, and fuel our determination to provide the very best for every child. I am immensely proud of what we are achieving together and grateful for the unwavering commitment shown across our trust.

Curriculum networks continue to strengthen our commitment to ensuring the best education for all

Networking strength

Sharing our practice across the whole region- Wakefield, Bradford, Barnsley, Rotherham and Sheffield

Central Team News

*We are delighted to welcome **Mo Andrews** as our new Director of Education after the holidays.*

Mo will be visiting all our schools in the coming weeks, working alongside leaders and staff. She will also play a key role in developing our hubs and

*leading our **Accomplishing Great Things Together** centre, supporting high-quality CPD across our trust and the wider region.*

Congratulations to Stanley Grove Academy for gaining Gold accreditation for their safeguarding practices being recognised as one in six in the country and our only school to go through the full review process. We look forward to more Golds!

Celebrating World Book Day across the trust was truly magical

Guess who?

*Thank you to **Tony Palin** from JCA for representing the trust at the House of Lords in a round table on digital technology and the balance of its involvement in education.*

So Much to Look Forward To...

The Summer term promises exciting opportunities for collaboration and celebration.

We are especially looking forward to:

- **The Accomplish Games**
- **The Music Event at Wakefield Cathedral**

These events will bring our schools together and provide memorable experiences for our children. A huge thank you to **Chloe Hazell** for organising the games and **Ellie Brown** for leading the music event—your dedication is truly appreciated.

Employee of the Month

Jessica Goldsmith,
Deputy Headteacher
Smawthorne Henry Moore
Academy

Jessica has demonstrated exceptional professionalism and dedication over this term. She has driven significant developments in EYFS within her academy while also representing the trust at a national level with the Department for Education.

Jess has presented with confidence, championed improvements, and showcased her team's work on a wider stage. Her impact extends beyond her own school—across the trust and now into the wider region. We are incredibly proud of her achievements. This recognition is truly deserved.

A Final Word

This has been a short but mighty term, with significant progress made across our trust.

Thank you for your continued dedication and commitment to our shared moral purpose—ensuring the very best futures for our children.

Wishing all our schools a wonderful holiday and a Happy Easter to those celebrating. Take this time to rest, recharge, and enjoy moments of joy (and hopefully some sunshine!).

Together, we certainly can.

With kind regards,

Tracy Swinburne OBE
CEO
Accomplish MAT
