

ACCOMPLISH

MULTI ACADEMY TRUST

ACCOMPLISHING GREAT THINGS TOGETHER

What a quick and incredibly productive six-week half term.

Dear Colleagues,

As we reach the end of Summer 1, I want to take a moment to reflect on what has truly been a half term centred around impact, ambition and opportunity for our children.

A huge thank you goes to all staff teams across the trust for the dedication, care and commitment shown in preparing our Year 6 children for their statutory assessments. We know these assessments do not capture everything that makes our children unique and wonderful; however, they are an important part of ensuring our pupils develop the knowledge, resilience and confidence needed for the next stage of their educational journey.

Speaking to both children and staff throughout the assessment period, it was clear our pupils were prepared in bucketloads. That preparation is never the work of one team alone — it is the result of collective care, consistency and teamwork across every part of our schools. A special mention must go to our Year 6 teams, whose tireless commitment and belief in children has shone through every single day.

Alongside academic success, it has been wonderful to see the holistic opportunities continuing to flourish across our trust. From sport and music to art, enrichment activities and school trips, our children continue to experience the very best of primary education. These experiences build character, develop talents, celebrate individuality and, most importantly, bring joy to learning.

Looking Ahead

The next half term promises to be another busy, exciting and memorable one across the trust.

We are incredibly excited to host our very first **Accomplish Games** at Sheffield Arena. Children qualifying through their sprint races will compete in a range of track and field events, with schools competing for the overall trophy. We cannot wait to share this special experience with our children, staff and families. Thank you to Chloe Hazell and Kyle Dench for the organisation of this.

Our **Music Event** at Wakefield Cathedral is also now fully organised. A huge thank you to Ellie Brown for coordinating what promises to be a truly special occasion. I know schools are already busy rehearsing shared songs and preparing performers for what will undoubtedly be a memorable celebration of talent and togetherness.

We also look forward to our **Geography Bees** for both Key Stage 1 and Key Stage 2, with thanks to Connor Reynolds for leading this exciting initiative.

And finally, the ultimate challenge returns — our **Diamond Dash** events — where we will crown the Diamond Dash TimesTables Champion across the trust. We cannot wait to see the enthusiasm, determination and teamwork on display.

Governance

This term, our dedicated team of voluntary governance professionals came together to continue focusing on their vital strategic role within our schools. Next half term, we will gather once again to evaluate our progress and shape the next stage of our trust's development journey as we continue striving to become the very best we can be for both children and staff.

We are extremely fortunate to have such a committed and passionate governance teams supporting our schools with ambition, integrity and care.

TEP Surveys

Thank you to everyone who took the time to contribute to our recent staff surveys. Headteachers have already begun building your feedback into future planning and school development priorities.

To ensure staff and pupil voice continues to be gathered fairly and consistently across the year, these surveys will continue to take place once each term as part of this national initiative. The next survey will be issued during the coming half term.

Your honesty, positivity and openness are invaluable in helping us continue to strengthen our offer for both children and staff across the trust.

As we come to the end of another successful half term, I want to thank every single member of our trust community. Whether you work in classrooms, offices, kitchens, grounds, reception areas or behind the scenes, every role matters and every contribution makes a difference.

Thank you to our central team, our admin teams, our site staff and every colleague who works so hard each day to support our schools and children to flourish.

I hope you all enjoy a restful and well-deserved (sunny) break with your families.

Thank you, as always, for everything you do to accomplish the very best for our children.

Warmest wishes,

Mrs. Tracy Swinburne OBE

Employee of the Month

Sally Mayman

This half term, we are delighted to celebrate Sally Mayman as our Employee of the Month.

As you all know, Sally is our English Hub Delivery Lead, an academy governor and someone who continually gives her time to support schools with individual projects whenever needed. Sally demonstrates care and commitment in abundance. She holds herself to the highest standards in leading our delivery team at the English Hub whilst always recognising and celebrating the uniqueness of every school within it.

Sally truly brings magic to both our Hub and our Trust. Her warmth, dedication and unwavering support for others make a difference every single day, and we are incredibly grateful for everything she contributes to our team.

Thank you, Sally.
